WINTER GARBAGE PICK-UPS

From November to April, garbage will be picked-up once a month only.

With fewer pick-ups, we aim to :

- Reduce the amount of garbage buried in landfills;
- Encourage the use of recycling and compost bins;
- Reduce green house gas emissions produced by pick-up trucks;
- Create savings related to transport and treatment costs.

To ensure proper pick-ups, please place your bins by the road, the evening before scheduled pick-ups with the wheels facing your house. Any items placed next to the bin will not be picked-up.
